# COMPANY OVERVIEW

FOC GOLD COMPANY is a reputable and trusted provider of high-quality electrical tools, electrical measurement tools, line material accessories and safety equipment for various work environments. We pride ourselves on delivering reliable products that meet the demands of professionals and individuals alike.

Our mission is to equip our customers with the tools and equipment necessary to excel in their respective industries, while prioritizing safety and performance. We understand the importance of using reliable and accurate electrical tools and measurement instruments, as well as the significance of maintaining a safe working environment.

At FOC GOLD COMPANY, we offer an extensive range of products, carefully selected from renowned manufacturers worldwide. Our inventory includes a wide variety of electrical tools, such as power drills, saws, pliers, screwdrivers, and more. We also provide a comprehensive selection of electrical measurement tools, including multimeters, oscilloscopes, voltage testers, and thermal imaging cameras.

Safety is paramount to us, and therefore, we offer a wide array of safety equipment designed to protect workers in various industries. Our safety equipment includes personal protective equipment (PPE) such as gloves, safety goggles, helmets, and respirators. We also offer safety harnesses, fall protection systems, and lockout/tagout devices to ensure compliance with safety regulations and standards.

Choose FOC GOLD COMPANY as your trusted partner in obtaining superior electrical tools, electrical measurement tools, and safety equipment for your work. We look forward to serving you and helping you

## ABOUT US

FOC GOLD COMPANY is a leading provider of top-notch electrical tools, line material accessories, electrical measurement tools, and safety equipment. We understand the criticality of high-quality tools and equipment in various industries, where reliability and accuracy are paramount.

Our team is composed of experienced professionals who possess a deep understanding of the industry. With their expertise, they carefully curate our inventory to include only the best products from reputable manufacturers worldwide. We continually evaluate and update our product offerings to ensure that our customers receive the latest and most advanced tools and equipment available.

We firmly believe in the importance of safety in the workplace. To that end, we offer a comprehensive range of safety equipment designed to protect workers and minimize risks. Whether it's personal protective equipment (PPE), fall protection systems, or lockout/tagout devices, we have a wide selection of safety products to meet the diverse needs of our customers.

With our strong focus on quality, reliability, and safety, FOC GOLD COMPANY has established itself as a trusted partner for professionals across various industries. Join our extensive list of satisfied customers and experience the difference our superior products and personalized service can make.

# Here's what we Believe in

## ***Safety***

**01**

We prioritize the safety of our customers by offering high-quality safety equipment that meets industry standards, ensuring maximum protection during work operations.

## ***Quality***

**02**

We strive for excellence in all our products, providing electrical tools and measurement tools that are durable, reliable, and designed for optimal performance.

## ***Innovation***

**03**

We constantly seek new technologies and innovative solutions to enhance the efficiency and effectiveness of our products, keeping our customers ahead in their respective industries.

## ***Customer Focus***

**04**

We are dedicated to understanding and meeting the specific needs of our customers, providing personalized support and building long-term relationships based on trust and mutual success.

## ***Sustainability***

**05**

We are committed to minimizing our environmental impact by promoting sustainable practices throughout our supply chain and offering eco-friendly alternatives wherever possible.

*We believe that electricity exists, because the electric company keeps sending us bills for it, but we cannot figure out how it travels inside wires*

### **Mission**

We aim to provide exceptional products and solutions that help our customers in the electrical industry work safely and efficiently, contributing to their success and the development of robust electrical infrastructure.

### **Vision**

Our vision is to become the go-to source for electrical tools, PPEs, and electric line materials worldwide. We strive to continually innovate and expand our product line to meet the evolving needs of the electrical industry.

## **Scope of Products**

### ✓ **Line Material Accessories**

Mv Line Accessories, Lv Line Accessories, Substation Materials, Stay Materials, Bolts and Nuts, Insulators, Cables, Transformer Protection, ABC Accessories Cross arms & Metal fittings

### ✓ **Electrical Tools**

Wire and cable cutters, wire strippers, Sparks, cable tie tools, Electrical Toolbox, Mechanical Toolbox, Safety Belts Gps, ABC Roller, Crimping Machine and Universal Clamp.

### ✓ **Measurement Tools**

Megger, Clamp Metter, Multimeter, Voltage Detector Earthing Kit, Fuse Extracting Rods, Pull Lift, Earth Resistance Tester and Ammeter

### ✓ **Personal Protective Equipments**

Gloves, Helmet, Googles, Safety Belts, Reflective Vest, Gum Boots, Safety Boots, Mask, and First Aid Kit.

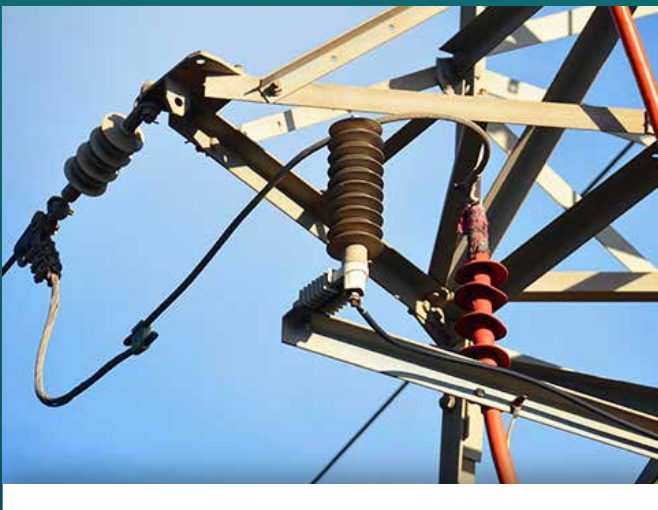

## Line Material Accesories

We specialize in providing top-quality line material accessories for electricity to various industries and infrastructure projects. We have established ourselves as a trusted supplier of essential components that ensure the smooth and reliable transmission and distribution of electrical power.

Our extensive range of line material accessories includes a wide variety of products such as power distribution boxes, insulators, conductors, transformers, circuit breakers, lightning arrestors, and much more. We understand the critical role that these accessories play in maintaining the integrity of power lines and protecting both infrastructure and personnel.

We are committed to environmental sustainability and social responsibility. We actively seek out and promote eco-friendly materials and production processes. By continuously exploring innovative technologies and materials, we strive to minimize the environmental impact of our line material accessories and act as a responsible corporate citizen.

Over the years, we have proudly supplied line material accessories to a diverse client base, including electrical utilities, construction companies, telecommunications providers, and government agencies. Our track record of successfully completing projects of varying scales and complexities speaks for itself, cementing our position as a reliable partner in the industry.

01

# TRANSFORMER PROTECTION

Our Transformer protection products provide comprehensive and reliable solutions to ensure the smooth operation and longevity of transformers. We understand the critical role transformers play in power distribution and strive to offer advanced technologies that safeguard these valuable assets.

Our range of protection products includes high-accuracy differential protection relays, which detect and respond to any internal faults or abnormalities within the transformer. These relays employ intelligent algorithms and precise measurement techniques to rapidly and accurately identify and isolate faulty conditions.

- ✓ 33kv Drop Out Fuse
- ✓ 33Kv Surge Lightning Arrester
- ✓ Earth Rod with Clamp
- ✓ Coupling For Earthrod
- ✓ Distribution Fuse Cutout
- ✓ Fuse Link
- ✓ Hrc Fuse
- ✓ Earthwire 35sqmm
- ✓ Cable Lugs
- ✓ Bi metal Cable Lugs
- ✓ Termination Kit
- ✓ Contactors

We also offer sophisticated temperature monitoring systems that continuously track the transformer winding and oil temperatures. By closely monitoring these parameters, our systems enable early detection of temperature rise, preventing thermal damage and potential transformer failure. These temperature monitoring devices provide real-time data and can be easily integrated into existing monitoring systems.

Furthermore, our transformer protection products feature comprehensive fault diagnosis capabilities. Through advanced fault analysis algorithms, our systems can identify the root cause of any fault occurrence, allowing for swift and effective corrective actions. This reduces downtime and maintenance costs, while ensuring uninterrupted power supply.

02

## STAY MATERIALS

Our range of stay materials is designed to meet the diverse needs of utility companies, power plants, and electrical infrastructure projects. We offer a wide selection of high-quality steel, aluminum, and composite stay wires, anchors, guy wires, and other related products. These materials are engineered to withstand extreme weather conditions, heavy loads, and other environmental stresses, ensuring long-term structural stability and safety.

Our stay materials undergo rigorous testing and quality control measures to ensure they meet the highest industry standards. We work closely with globally recognized manufacturers, sourcing materials that are known for their superior performance, durability, and reliability.

- ✓ Stay Wire
- ✓ Stay Base Plate
- ✓ Preformed Guy Grip Top Make off
- ✓ Preformed Guy Grip
- ✓ Stay Rods
- ✓ Stay Insulator

03

## ABC ACCESSORIES

Our ABC Accessories includes numerous items for installing bundle conductors on posts/poles and facades of buildings, routing of power lines, and connection for public used. In addition, they can also be used as an entry into mini-substations and connection to power cables or bare wires at joints between long distance lines and bundle conductor lines.

- ✓ Tension Clamp for ABC
- ✓ Suspension Clamp For ABC
- ✓ Junction Sleeve
- ✓ Piercing Connector
- ✓ Tension Clamp for ACSR
- ✓ Tension Clamp

## INSULATORS & FITTINGS

We specialize in providing reliable solutions that ensure the safe and efficient transmission of electrical power and signals. Our range of insulators includes porcelain, composite, and glass types, designed to withstand extreme weather conditions and provide excellent electrical resistance.

Additionally, we offer a wide range of fittings such as clamps, connectors, and brackets, essential for the proper installation and secure attachment of insulators to various structures. Our products are manufactured with precision and undergo rigorous testing to meet international standards for performance and durability.

- ✓ 33kv Horizontal Line Post Insulator
- ✓ 33KV Composite Disc Insulator
- ✓ 33KV Pin Insulator
- ✓ PG clamp
- ✓ Ball ended Hook
- ✓ Tension Clamp for Earth wire
- ✓ Ball ended Hook
- ✓ Socket Tongue
- ✓ Socket Clevis
- ✓ Eye Ring
- ✓ Junction Sleeve
- ✓ Section Strap
- ✓ Pig tail Hook

05

## CROSS ARMS & METAL FITTINGS

Our company specializes in providing high-quality cross arms and metal fittings for various applications. We offer a comprehensive range of cross arms made from durable materials such as steel, aluminum, and wood. These cross arms are designed to withstand tough environmental conditions and serve as sturdy supports for power lines, telecom cables, and other electrical infrastructure.

Our metal fittings are crafted with precision and incorporate innovative design features to ensure seamless integration with cross arms and other components. With a commitment to excellence, we strive to deliver products that meet stringent industry standards, ensuring optimum performance and reliability in every installation.

## Electric Measurement Tools

Our extensive collection of electric measurement tools encompasses a diverse range, including multimeters, clamp meters, voltage testers, insulation testers, and more. Each product is crafted with precision and engineered with the latest technologies to ensure optimal performance and accuracy in measuring various electrical parameters.

For professionals in the electrical and electronics field, our multimeters and clamp meters are indispensable tools. These devices not only provide accurate voltage, current, and resistance measurements but also offer additional features such as capacitance, frequency, and temperature measurements. With their user-friendly interface and ergonomic design, our multimeters and clamp meters offer convenience and efficiency in everyday tasks.

Furthermore, our voltage testers are designed to guarantee the safety of electrical installations and equipment.

## Electrical Tools

With an extensive range of high-quality products, we are committed to offering advanced and reliable tools that deliver exceptional performance, durability, and efficiency.

Our electric tool lineup encompasses an array of categories, including power drills, saws, grinders, sanders, screwdrivers, and many more. Each tool is meticulously designed and manufactured using cutting-edge technology and premium materials to ensure optimal functionality and longevity. Equipped with powerful motors, our tools deliver the necessary torque and speed for various applications, making them indispensable and reliable companions for every professional or DIY enthusiast.

One of our core principles is to prioritize safety in all our offerings. That's why our electric tools undergo rigorous quality checks and adhere to industry-leading safety standards, providing you with peace of mind while using them. From ergonomic handles to built-in safety features, we make sure that our tools not only deliver outstanding results but also prioritize the well-being of our users.

- Voltage Detectors
- Insulating Sticks
- Short Circuiting & Earthing
- Earth Clamps
- Phase Comparators
- Insulating Gloves
- Insulated Tools
- Earthing Connections
- MV HV EHV

## Personal Protective Equipments PPE

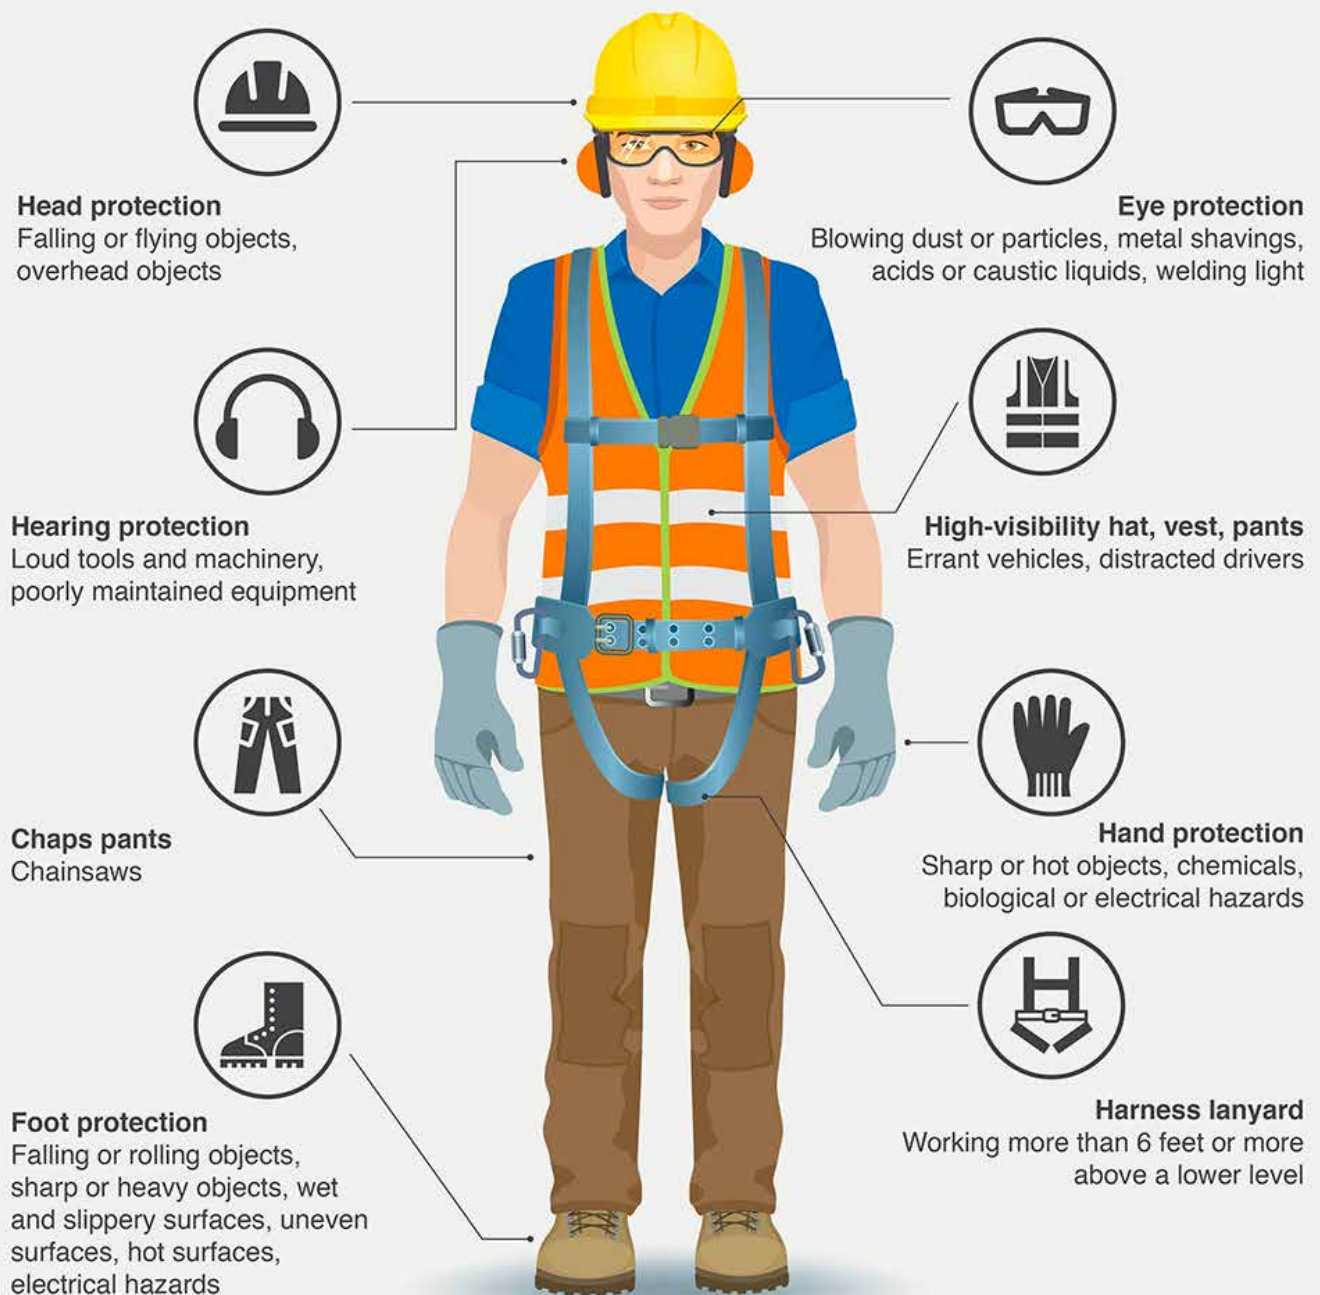

With a steadfast commitment to safety and a focus on customer satisfaction, we have been serving businesses and individuals across various industries with top-of-the-line protective gear.

At FOC GOLD COMPANY we recognize the critical importance of safeguarding individuals from potential hazards in their working environment. Therefore, we offer a comprehensive range of PPE, carefully sourced from reputable manufacturers who adhere to the highest safety standards. Our extensive catalog ensures that we cater to a diverse range of needs, providing reliable protection for workers in construction, manufacturing, healthcare, oil and gas, and many other sectors.

We understand that every workplace has unique safety requirements, and finding the right PPE can be a daunting task. That's why we offer personalized assistance and guidance to help you select the most suitable protective equipment for your specific needs. Whether it's hard hats, safety gloves, eye protection, respiratory masks, or any other essential protective gear, our experienced team will work closely with you to ensure you have the right tools to mitigate risks and create a safer work environment.

# *Everyone should Return Home Safe*

# Why Choose Us

With our extensive experience and commitment to excellence, we are the perfect choice for all your electrical needs. Here are compelling reasons why you should choose us:

## ***Unparalleled Expertise***

Our team consists of highly skilled professionals who possess extensive knowledge and expertise in the electrical industry. We understand the unique requirements and challenges of working with electrical tools, PPEs, and electric line materials.

## ***Quality Products***

At FOC GOLD COMPANY, we prioritize quality above all else. All our products undergo rigorous quality control procedures to ensure they meet the highest industry standards.

## ***Comprehensive Product Range***

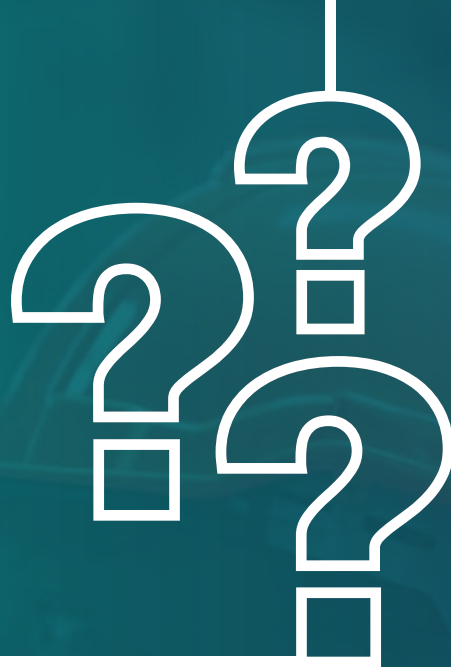

We offer a wide range of electrical tools, PPEs, and electric line materials to cater to various applications. Whether you require state-of-the-art power tools, protective clothing, gloves, helmets, ear protection, or cable connectors, we have got you covered.

## ***Best Pricing***

We understand the importance of cost-effectiveness in any project. That's why we strive to provide competitive prices without compromising on quality. Our commitment to offering affordable solutions ensures you receive the best value for your investment.

# Why Choose Us

## ***Timely Delivery***

We understand that delays can be costly and frustrating. With FOC GOLD COMPANY, you don't have to worry about untimely deliveries. Our efficient logistics network and streamlined processes ensure that your products are delivered on time, every time.

## ***Excellent Customer Service***

Our friendly and knowledgeable team is always ready to assist you with any queries or concerns you may have. We believe in building long-term relationships with our clients, and our dedicated customer support ensures all your needs are met promptly and effectively.

## ***Commitment to Safety***

Working with electricity can be hazardous, which is why safety is paramount. We provide only the highest quality PPEs to protect you and your team from any potential risks.
